**Synopsis**

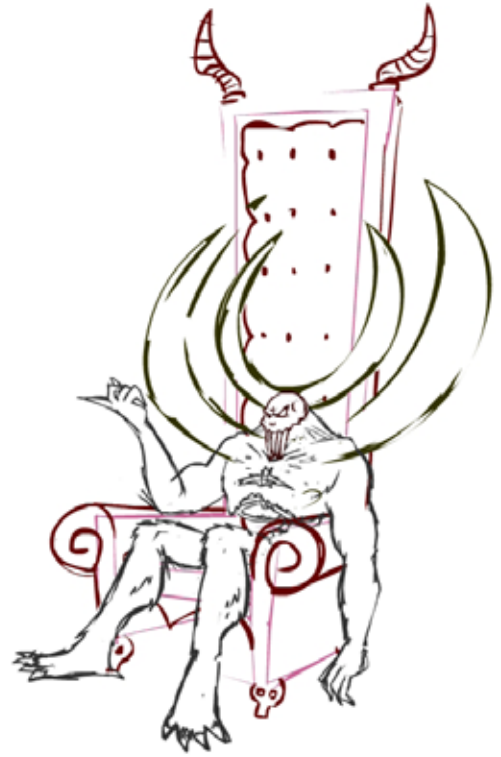

The physical incarnation of evil and darkness, Deval has a final conversation with the warrior angel, Eve. In a tense confrontation about the balance of good and evil in the universe, Eve sacrifices herself and her ability to reincarnate to Deval, forcing the beast to be reborn in a rebalanced universe.

**Use of Dream Theme**

When Deval is reborn in the past page or two, she wakes a teenager, and as if the experience of her other life was a dream. I am also aiming to bring a surreal minimalist aesthetic to contrast with a more detailed 'normal world' look of the rebalanced universe.
